## **About the College**

Established as the first functional model college of the Sonitpur district and situated towards the east of Balipara Town amidst scenic landscape near the NH-15 the Government Model College, Balipara aims to provide quality, affordable education to the region. It was set up under the MLA signature scheme in the 2018-19 budget of the Assam Government following the 11th five-year plan which emphasises the need to increase the 'access' to higher education. However, establishing the college is a mission under the Ministry of Education subsumed under Rashtriya Uchchar Shiksha Abhiyan (RUSA). The idea behind setting up the Model College is to increase the Gross Enrolment Ratio (GER) in higher education in those districts where it is less than the national average.

Accordingly, the Director of Higher Education (DHE) sanctioned eighteen teaching posts in the order letter dated 31st of July following which the faculty was appointed accordingly. The Hon'ble Chief Minister of Assam inaugurated the college on the 10th of March, 2024.

As a fresh institution, the college adopts as its cornerstone the fulfilment of unique student needs of the area all the while promoting holistic development.

## **Message from Principal's Desk**

Dr. Ranjan Kalita

Principal (I/C)

Govt. Model College, Balipara

Government Model College Balipara, established in 2023, is dedicated to advancing higher education in rural Assam. As a new institution, we are committed to empowering the economically and socially disadvantaged students of the region with quality education. Located in a lush environment, our campus not only provides a tranquil backdrop for study but also boasts a central location, adjacent to NH-15, with excellent commuting options, making it easily accessible for students and faculty alike.

As a new institution, we aim to provide students with the best resources to excel nationally and globally. Our college is equipped with the latest facilities designed to nurture holistic development in our students. Currently, our college offers Four Year Undergraduate Program in Arts Stream as per NEP 2020, encompassing a broad range of subjects designed to meet diverse interests and career goals.

Our mission extends beyond academic excellence; we aim to cultivate socially responsible citizens. As we navigate our foundational years under NEP 2020, we are excited about the dynamic educational opportunities it presents. As the Principal I/C it is with great honour, I extend a heartfelt welcome to all the prospective students seeking admission to our esteemed college.
