Spot Admission Process

1. Candidates seeking spot admission must report to the college on 20th June, 2025 and submit their attendance by mentioning their Samarth Form Number and name. They must produce a copy of their Samarth application form, which will be marked as SPOT. Attendance will be taken between 9:00 AM to 11:00 AM during the spot admission period. After that a spot merit list will be prepared based on the registered applicants and the admission process will begin at 12:00 PM.
2. Students reporting after 12:00 noon will only be considered in the next days of spot admission.
3. The same procedure will be followed on each day of the spot admission period, subject to seat availability.
4. On the last day, attendance will be taken up to 12:00 noon, and admissions will start from 1:00 PM.
5. Eligible candidates will be offered admission on the spot. They must accept the offer immediately to complete the admission process successfully. Candidates must bring their Samarth portal log in ID and Password to accept the admission offer on the spot. Without the Samarth form, admission cannot be processed.
6. Mere submission of attendance does not guarantee admission. Admission is strictly based on merit and seat availability. The process will be closed once all seats are filled.
7. Applicants can view the subject wise vacancy status of the college by visiting the “Vacancy” tab on the Samarth portal (<https://assamadmission.samarth.ac.in/>)
